Dear brothers and sisters,

We are delighted to greet you and thankful for the opportunity to share with you the news from the past two months.

We Had a Graduation!

We are grateful to God because, during the month of May, we had the opportunity to travel to the United States for Dany's graduation. By God's grace, he completed his Master in Biblical and Theological Studies (MBTS) at Dallas Theological Seminary (DTS). We are also thankful that my sister-in-law (Dany's sister) was able to join us for this special occasion.

It was a very special time for our family—not only because we were able to celebrate the completion of this chapter, but also because we had the opportunity to see and visit many dear friends. We enjoyed the time of rest and fellowship with brothers and sisters in Christ from many different places.

We are also deeply grateful for the hospitality and kindness of every friend and fellow believer who welcomed us into their homes during our stay. God is so good!

Thank God for Our Family in Christ!

Sharing the Gospel on Children's Day

On May 1, we celebrated Children's Day at Lampeí Canteras Church. In addition to games, fun activities, and gifts, the Good News of salvation was shared with every child who attended, as well as with the parents who were present.

We thank God because the seed of the Gospel was planted in the hearts of 66 children. We trust that God will bring forth the fruit of salvation in each of their lives.

Preparing for Vacation Bible School

This year, Cesy and I, together with a ministry team, are responsible for organizing our Vacation Bible School, which will take place from July 27-31. We have already begun the preparations, and we would greatly appreciate your prayers that we would carry out this event with excellence. Please also pray that many children, along with the mothers who attend, will hear the Gospel and respond to it with open hearts.

Evangelism at the Mexico City Stadium and the Civil Hospital

Taking advantage of the World Cup event, David and Dany traveled to Mexico City to join Lampeí Church CDMX in an evangelistic outreach held outside the stadium before the Mexico vs. Czechia match.

After returning to Morelia, we also had the opportunity to share the Gospel at the Civil Hospital, where we ministered through music, the preaching of God's Word, and by providing meals for the families of the patients.

A New Church Plant in SJR

El June, David and Dany traveled to San Juan del Río, Qro. (about three hours from Morelia) to visit several brothers and sisters in Christ to explore the possibility of starting a home Bible study and, Lord willing, planting a new church there in the future.

We thank God for Christofer, who, together with his family, is opening his home to make this possible. We are also thankful for Paco, one of our missionaries, who has already moved from Guadalajara to serve this new mission. May God continue to open doors!

Praise & Prayer Requests

- Praise God for His care and protection during our trip to the United States.
- Pray for wisdom as we organize Vacation Bible School and for every child who will hear the Gospel.
- Pray for wisdom in the discipleship and biblical counseling ministries of our church.
- Pray for our plans to plant a new church in San Juan del Río, that God would direct the timing and bring the people who will become part of this new church.
