## Celebrating Our 7th Anniversary!

We give thanks to God for His grace and faithfulness in allowing us to complete seven years as a church-planting ministry. During this time, God has allowed us to start and develop three churches and two Christian schools in Morelia, as well as to continue developing other church plants in Mexico City and Chile.

## Prayer requests

- Diligence and enthusiasm for the students preparing for the Convention.
- Wisdom for the work in the ministry.
- Financial provision.

## Preparation to the Convention

For the first time, Onelife students will participate in the Student Convention, which is an opportunity for students to develop their gifts and talents. Cesy is responsible for this project.

## Support Visit to Mexico City

Dany visited Armando, pastor of Lampei CDMX, with the purpose of supporting counseling efforts and participating in planning meetings with brothers from the Baptist Convention in the area.

## Master's Degree Completed!

We are grateful to God because Dany has completed his Master's degree in Biblical and Theological Studies (MEBT) at Dallas Theological Seminary (DTS). God willing, we will travel to Dallas in May for the graduation ceremony.

We thank God for His provision throughout this project and trust that it has been and will continue to be a tool to serve the Lord more effectively.
