THEY EXPLAINED THE WAY OF GOD MORE  
ACCURATELY TO HIM. ACTS 18:26

We thank God for His faithfulness and care over our lives. Thirteen years have now passed since we left Chile, and throughout this time we have been able to see God's hand at work in our lives and witness the miracle of salvation in the lives of so many people in Mexico. Today, God has allowed us to serve in a small church called Lampeí San Nicolás. The work is not easy, especially in towns and communities where the gospel is often stigmatized and rejected because it goes against traditional religious beliefs.

Please pray that we may continue proclaiming the gospel and that we may continue to be a blessing and a source of spiritual encouragement to the families and individuals who attend the church in San Nicolás.

"Suffer little children, and forbid them not, to come unto me." Matthew 19:14

Young People After God's  
Own Heart

At the beginning of May, we had the opportunity to celebrate Children's Day in a neighborhood of the town of San Nicolás. During the event, we shared the gospel with about 20 children and 15 adults, all of whom listened attentively to the message.

We thank God for the great interest shown by everyone who attended. Please pray that God will allow us to start a children's ministry in this community in the future.

At Lampeí San Nicolás Church, we took time to honor the women who are mothers and those who, God willing, will become mothers in the future. May God bless every woman who faithfully leads her family in the fear of the Lord.

In June, Vicky began a Bible study for the young women in our church. Please pray that their lives will be transformed by the Word of God and that it will bear much fruit in them.

### Please remember to pray for:

Blessed be God, who has not turned away my prayer, nor His mercy from me." - Psalm 66:20

Wisdom to understand God's timing and to be sensitive to His perfect will.

For our financial support, which is still very low, and for more opportunities to share about our ministry so that people may join our team of financial supporters.

For the salvation of our families, who have resisted hearing the message of the gospel.

For God's provision to be able to purchase a new computer.

For God's provision to repair our vehicle, which has broken down and is making it difficult for us to travel to our place of ministry, among other things.

### GIVE THANKS TO GOD IN EVERYTHING...

During the past year, Marcelo's health was greatly affected by a severe gastrointestinal condition. After a year of various tests and frequent doctor's appointments, the results did not reveal anything serious or concerning. The final diagnosis was a temporary episode of Irritable Bowel Syndrome.

As for Vicky, she has been undergoing treatment to help relieve her frequent migraine episodes. The treatment has produced good results. In addition, she underwent medical tests to rule out the presence of cysts or tumors. The results were negative, with no abnormalities found.

We are deeply thankful to our God, because He has sustained and cared for us, not only emotionally but also physically. He has also provided for us by supplying the resources needed to cover the related expenses and medical procedures.
