Ministry update

May, 2026

Training & Teaching

Edgar continues his theological training, strengthening foundational knowledge and beginning to put into practice what he has learned. He has had the opportunity to share God's Word during prayer meetings, taking steps forward with both fear and joy. It has also been a great blessing for him to walk through this season accompanied by mature believers who are discipling, guiding, and encouraging him. We are praying that, if God opens the door, he will be able to pursue a Master's degree at DTS.

Family

Our children are preparing to attend summer camp at Word of Life this year. We are grateful to God for providing for their registrations.

Serving in The Church

We continue serving wherever there is a need: worship, multimedia, children's ministry, and social media. We are grateful for the opportunity to be involved in different areas of the church.

Evangelism

We held an evangelism workshop to encourage and equip the church to share the Gospel with others.

Media & Online Outreach

We recently started live streaming the teachings, creating new opportunities to reach more people.

On social media, we saw a 4.3% growth during 2026.

Children's Ministry

We had a small Children's Day celebration focused on helping the kids connect, enjoy time together, and have fun.

Also, every Saturday, the church offers instrument practice for children who are interested, helping them grow and become more involved in the church.

Women's Discipleship & Retreat

The women's discipleship group continues growing, helping us be better prepared to share the Gospel and serve others, also we held our first women's retreat, a special time of fellowship, encouragement, and spiritual growth.

Church Growth & Next Steps

The church continues to grow, and we are encouraged by what God is doing. Because of this, we are praying and exploring the possibility of moving to a new location.
