

Dear LIM family:

We are grateful to share what God has been doing at Lampei CDMX as we continue serving our community and growing as a church.

A New Space for Church

In August, we moved into a slightly larger location, giving us more room to serve and grow together. We now have two classrooms for our children's ministry, allowing us to better serve the families God is bringing to Lampei. We are still adapting and making improvements to our new space, working to make it a welcoming place where people can gather, learn God's Word, and grow in their faith.

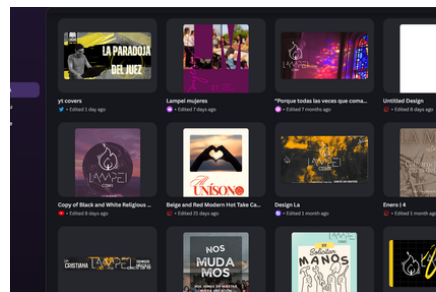

Growing in Leadership and Discipleship

God continues to develop new opportunities for service within our church. Edgar has begun sharing messages during our Sunday gatherings and, starting in November, will also take responsibility for organizing our Wednesday prayer meetings.

Tona has taken on the role of Children's Ministry Coordinator while continuing to serve in social media and worship. We are also grateful that God has given us the opportunity to begin discipling a couple from our church, meeting with each of them individually as they grow in their faith.

We are thankful for the ways God continues to help us grow in leadership, discipleship, and service to His church.

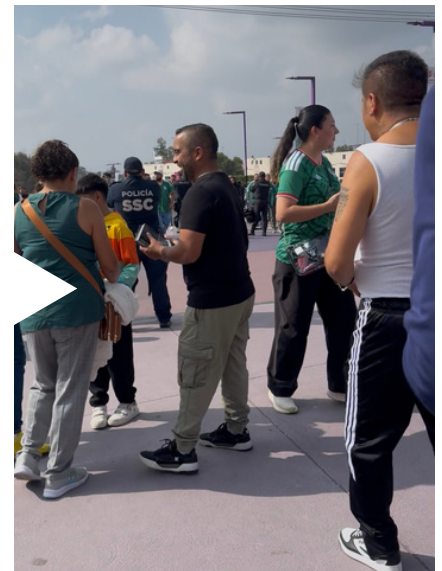

Reaching Our Community

In July, we took advantage of the excitement surrounding the FIFA World Cup to engage in evangelistic outreach in Mexico City.

We are grateful for the opportunity to connect with people in our community and share the gospel.

We pray that the seeds planted through these conversations will bear fruit and that God will continue opening doors for us to reach our city.

Growing Through Christian Community

We have continued attending gatherings organized by the Baptist Convention, giving us opportunities to connect with other churches, learn from fellow believers, and grow in our understanding of ministry.

We are grateful for these relationships and for the encouragement that comes from being part of a broader Christian community.

Investing in Our Children

Investing in Our Children

Our children had the opportunity to attend the summer camp at Word of Life.

We are thankful for opportunities like this that help them grow in their faith, build friendships, and deepen their understanding of God's Word.

CONTINUING TO GROW IN OUR THEOLOGICAL EDUCATION

We believe that serving faithfully also means continuing to learn and grow.

Edgar continues his studies in the Fundamental Theological Course (Curso Teológico Fundamental), and Tona began the same program this semester at the Instituto Teológico de Querétaro.

We are grateful for the opportunity to deepen our understanding of Scripture and strengthen the biblical foundations that shape our lives, our family, and our ministry at Lampei CDMX.

We continue to pray for God's direction and provision as we seek to further our theological education and begin our studies at Dallas Theological Seminary (DTS) in the near future.

Connecting with Missionaries

In September, we met with a small group of women missionaries who are planning to return in March to collaborate with Lampei CDMX through the International Mission Board (IMB).

Together, we hope to organize evangelistic activities in the community surrounding our new location, building relationships with our neighbors and creating opportunities to share the gospel.

Celebrating One Year of Lampei CDMX

We recently celebrated the first anniversary of Lampei CDMX! Looking back on this first year, we are grateful for the people God has brought together, the opportunities to serve, and the ways He has continued to guide us.

What began as a new church plant continues to grow as we seek to glorify God by being and making disciples who shine in Mexico City and throughout the world.

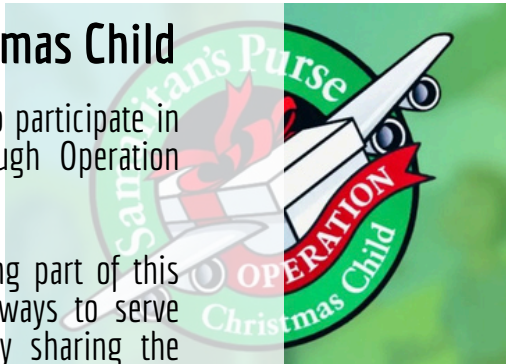

Preparing to Serve Through

Operation Christmas Child

We are also preparing to participate in Samaritan's Purse through Operation Christmas Child.

We look forward to being part of this ministry and exploring ways to serve children and families by sharing the love of Christ.

THANK YOU FOR YOUR PARTNERSHIP

We are deeply grateful for your prayers, financial support, and encouragement. Thank you for walking alongside our family and the ministry of Lampei CDMX.

We continue to trust in God's faithfulness and provision as He guides us, and we are thankful for the ways He cares for our family and our church. Your partnership means so much to us as we continue serving in Mexico City.
