

# Los Torres

We are many, we're a little loud, and we are learning to live the mission together.

The adults: Edgar and Tona

The little arrows: Samuel, Elisa, and Nathanael

Yes, we're a big crew, and today, with great joy, we serve God at Lampei CDMX, step by step.

## Jump in

In 2021, God called us to prepare ourselves to serve Him. Although we recognized His voice, we chose to wait and follow our own timing. Four years later, an accident in Morelia became the turning point where God reminded us of His calling—and we jumped in.

Since August 2025, we have responded to God's call and are now focused on actively serving the church, supporting the planting of Lampei CDMX.

*"Do not be afraid; from now on you will be catching men" (Luke 5:10)*

## Our commission

To be discipled and prepared to expand God's Kingdom, so that we may prepare and disciple others, with the purpose that more people would come to know Christ and grow in a living relationship with Him.

## Step by step

Our short-term mission is to serve in the planting of Lampei CDMX, participating in the different areas the church requires: evangelism, prayer and worship, preparing and cleaning the space, supporting general and prayer gatherings, children's ministry, and more.

Wherever God allows us, that's where we serve.

## The puddle

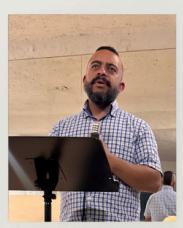

Mexico City /  
Xochimilco / Lampei  
An urban environment  
where there is a  
constant need for  
spiritual care and  
discipleship—and  
where today we are  
serving and learning  
how to swim.

## A family with a missionary heart

We live out the mission with one heart and one purpose, seeking not to neglect our first ministry: our marriage and our children.

We walk alongside our children in their growth and discipleship, integrating homeschooling and service, understanding mission as a life lived together—as a family.

*“But as for me and my house, we will serve the Lord.”*  
(Joshua 24:15)

## Learning to swim

Right now, we're in learning mode. Edgar is about to begin his second term at the Querétaro Theological Institute.

Tona works between social media and videography, supporting Lampei CDMX's visual identity, designing graphics, uploading sermons to YouTube, and helping with the digital side of services—learning along the way how to document what God is doing among us.

# Content, whatever the weather

In August 2025, Edgar left his job. Today, we are in the water, with a source of income that covers 28% of our support, trusting that God continues to provide as we learn to swim.

We are grateful for God's care and daily provision.

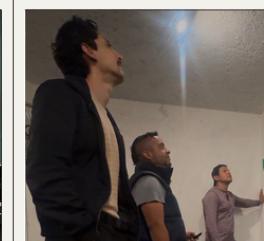

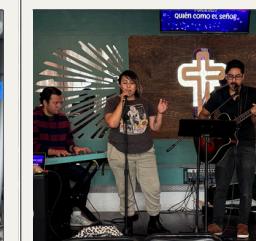

Our monthly expenses currently amount to approximately \$2,000 USD, which would allow us to serve full time.

*"Not that I am speaking of being in need, for I have learned, in whatever situation I am, to be content."*  
(Philippians 4:11)

Would you pray  
for us?

1. For the church and the planting of Lampei CDMX
2. For wisdom and direction in every step
3. For the hearts and walk of our children
4. That God would take us and use us wherever He desires

Thank you for joining us on  
this journey!

*"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit,"*  
(Matthew 28:19)

Will you walk  
with us?

We would love for you to walk with us in this journey. You can be part of this by praying, walking alongside us, visiting us, sharing the road, and—if God places it on your heart—supporting this mission. Every part matters.
